

Freie Schule Anne-Sophie Berlin full-day elementary school is looking for a dedicated part-time educator (m/f/d).

Starting January, 1st 2026

Who are we and how do we work?

The Anne-Sophie Berlin Free School in the Steglitz-Zehlendorf district is a state-approved private school run by the Würth Foundation, offering a continuous education pathway from elementary school to high school graduation. Classes are held full-time and are bilingual in German and English from the outset. English- and German-speaking learning coaches (teachers) work at the Freie Schule Anne-Sophie Berlin, creating a bilingual culture in the classroom and in interactions with one another.

In addition to bilingualism, the educational concept is characterized by goal-oriented learning in a structured environment and an introduction to independent learning with new media. Personal support through coaching is an essential element of the learning culture. The goal is for every child to leave the Freie Schule Anne-Sophie Berlin as a winner. This means knowing one's own strengths, dealing with challenges, and taking responsibility for oneself and others. We are an international and multilingual community and are looking for employees who contribute to the diversity of our community.

What we offer?

- Opportunity to implement your own pedagogical ideas and projects
- Modern, inspiring working environment with a young, international team and an appreciative communication culture
- Well-designed environment to feel comfortable in
- Pay above the regular rate

Your tasks:

During school hours in the bound all-day operation, you will support the learning partners (students) individually, in class, or in enrichment programs, offered in the afternoon. Following the learning hours, you will be responsible for looking after the primary school children in the after-school care center until approximately 6 pm. In accordance with the school's philosophy, the after-school program is designed to inspire the children to decide for themselves what they want to do.

During the school vacations, a full-day vacation program is offered in the after-school care center.
